**We need a shared vision to make St. Cuthbert's
an e-nterprising College!**

- We want everyone in our college to be able to use a computer and other technologies with confidence and expertise
- We want ICT to improve the way we learn and teach
- We want to be able to use ICT to allow learning to take place anywhere at any time
- We want to use ICT to help improve the running of the college
- We want high quality training to be available for all staff
- We want everybody in our college to know when ICT use is appropriate
- We want enough equipment for everyone to use, when they want to
- We want our equipment to be well maintained, available, easy to use, sustainable and as eco-friendly as possible
- We want our learners to have high ICT capability
- We want our children to be safe
- We want our college to be the centre of community learning and information.
