Dear Parents/Carers

Year 10 Track

We are writing to inform you of the latest data report on your child. This report will show their average score for their attitude to learning (AtL 1 is high, 5 is low), the current grade which they are working at and their predicted grade for the end of their course based on teachers' judgements.

If your child is not achieving their potential then an intervention will be put in place in order for them to reach their potential.

Your child is halfway through their GCSE course and should be pushing themselves in lessons and at home in order to secure success.

We would like to thank you for all your support.

Yours sincerely

Grant Mearns and Karen Carvill
Head of Year 10 and Assistant Head of Year 10
