23 November 2018

Dear Parent/Carer

In order to prepare fully for our Year 11 students for the challenges of the summer examinations, we have planned two series of mock examinations in December and February.

It is important that students see these mock exams as an important learning strategy for when they sit their exams in May. Furthermore, under the advice of all the examination boards we are required to inform parents that if your child does not apply themselves within the mock examinations and summer examinations, we as a school can charge a student for all exams which your child intends to sit during this academic year. I have enclosed a statement with all the costs clearly stipulated.

As a school, we want success for all our students and I am sure our Year 11 will be fully prepared for all the exams they will face between now and July. All exams will be held in our exam venues under external examination conditions. Students are responsible for bringing the correct equipment for exams and are advised to check what they need in advance with their subject teachers. Students should approach these examinations with a determination to do their best and therefore, it is essential that students revise thoroughly for these exams and act upon the advice and guidance given to them by their subject teachers.

If at home, students can be revising thoroughly or completing extra work in school, this again will secure higher grades and we would like to thank you for your support in that.

The timetable for the December exams will be available on the school's website from Monday, 26th November 2018. The exams will start on Monday 10th December 2018 and finish on Thursday 13th December 2018. We would like to wish them every success as they work hard to achieve their potential.

I want to thank you in advance for your support.

Yours faithfully

Mrs C McKeagney
Deputy Headteacher

N.B. Please note the Provisional Summer 2019 GCSE Examination Timetable is now available to view on our website <http://www.stcuthberts.com/media/2630/provisional-timetable-gcse-may-june-2019.pdf>
