HAPPY EASTER!

In the time in which we live there is much uncertainty. The disciples of Jesus would have wondered about what the future held for them when they heard of his death on the Cross. Their uncertainty was transformed by the appearance among them of the Risen Lord in the upper room of a house in Jerusalem. The first word that Jesus spoke to this fearful group of men was: 'Peace be with you.' He showed them the wounds he had received in his hands and in his side during the crucifixion. Then, their hearts were filled with joy! We carry the wounds of sin and death in ourselves. Deep down we need the healing and cleansing that comes through the death of Jesus on the Cross and his Resurrection from the dead. On this Easter Day may we hear in a very personal way the word of the Risen Lord: 'Peace be with you.' May his peace permeate our life and the lives of those who are living in our world today.
