## FAO Parents/Carers of Year 11 students

Dear Parent/Carer

I have detailed below a timetable for the extra classes, which will be on during the Whit holidays. These revision sessions will be focused and structured in order to secure some excellent subject knowledge in preparation for the exams. The expectation is that students attend the necessary revision session which the departments have arranged.

Furthermore, it is essential that independent work is happening at home during the Whit break. There is no doubt that the more revision completed now will mean greater success in August.

The school wish the students every success as they continue their exams.

Many thanks for your support.

Yours faithfully

Mrs C McKeagney  
**Deputy Headteacher**
