My Ed School App

We use the MyED App to communicate and share information with you, our parent community. We want parents/carers to feel as much a part of their education as possible. With the increased use of smart phone technology we want to make best use of it.

My Ed is a free parent app that gives you a multitude of communication and information features to stay in touch with what is going on at school. The app gives you direct access to your child's attendance, timetable, absence records, achievements, behaviour and much, much more. You will also see that we update and change the information in the app as the school year moves along.

We are able to send you messages directly to the My Ed app relating to important information about your child's education and to remind you of events that are taking place at school.

You will receive a notification if we send you a message and there is no charge for the messages you send to us.

The MyEd app is available for both Apple iOS and Android devices and can be found using the links below:

Step 1 - Go to your App Store

Step 2 - Search for My Ed

Step 3 - Download the Free app

Once you have installed and opened MyEd, search for St Cuthbert's Catholic High School and follow the simple instructions to identify yourself.

We hope you enjoy using the app and find it a useful source of information.

If more than one parent/carer wishes to receive notifications about their child once they've downloaded the APP, please indicate this on the parent/carer details on page 2 of the Confidential Student Admission Form.

The graphic features a blue and orange color scheme. At the top left, a blue triangle contains the text 'NEW FOR PARENTS'. To the right is the 'MY Ed' logo, where 'MY' is in blue and 'Ed' is in white inside a blue speech bubble. Below the logo is the tagline 'Connecting parents, students and schools'. In the center, a smartphone displays the app's interface. To the right of the phone, the text 'Download our school app NOW' is written in white and blue. Below this, three steps are listed: 'Step 1: Go to your app store' with icons for the App Store and Google Play; 'Step 2: Search for My Ed' with a magnifying glass icon; and 'Step 3: Download the app' with a 'FREE Download' badge. At the bottom, a blue banner says 'Find out more' and an orange banner contains the website 'www.myedschoolapp.com'.
