July 2020

Dear Parents/Carers

Year 10 Progress Report

We are writing to inform you of the latest report on your child sent via MyEd.

This report will show progress of your child up until lockdown. The report will also address their engagement in online learning since lockdown and the next steps for them in each subject area.

If your child is not achieving their potential then intervention will be put in place in order for them to reach this when they return to school.

Your child is now halfway through their GCSE course and should be pushing themselves when they return to lessons and with online learning in order to secure success. It is vital that they are reviewing their work and studying independently even when work is not set online.

Attendance and punctuality over the next year is of utmost importance in achieving potential. Government guidelines state all students must attend school for at least 97% of the academic year. If you have any queries or concerns regarding the progress of your child please contact us at school.

We would like to thank you for all your support.

Yours faithfully

Mr Mearns and Mrs Carvill
Head of Year 10 and Assistant Head of Year 10
