Dear students and parents of Year 8,

I have recently written to you with some general information on, but this letter is to give you details of what is especially for Year 8.

Your start is **Tuesday 8th September at 8.30 am prompt**. Attached is a map of the entrances to be used and also a set of maps for you to follow throughout the day. They show where your toilets, classrooms, lunch and break arrangements will be. But don't worry as there will be plenty of staff around to help you in the first few days until you are settled in. There will be signage as you enter the school and staff in High vis jackets (green for Year 8) to guide you.

When you come into school, after you have washed your hands you need to go to your base as indicated on the maps and will go to an allocated room depending upon your ENGLISH set. See year 8 information below:

Maps attached – please follow this [link](#) for the entrance to use and this [link](#) for Y8 arrangements

On the first day you will be given all the information you need for the rest of the week so just remember to get ready for school before the 8th September, get back into a good sleep habit and practice getting up early enough to be on time for school. Make sure you have all the equipment you need and your full school uniform ready.

I am so looking forward to getting back to school to meet and work with you and your families. I know there will be some who are anxious about starting school again but please be assured that we at St Cuthbert's will do everything we can to make sure you settle in quickly and safely.
