November 2020

Dear Parent/Carer

## **Year 11 Progress Report**

We are writing to inform you of the latest data report on your child sent via MyEd.

This report shows their predicted grade for the end of their course based on teachers' judgements and a target has been put in place in order for them to achieve their full potential.

If your child is not achieving their potential then an intervention has been put in place in order for them to reach this. Your child is now over halfway through their GCSE course and should be pushing themselves in lessons and at home in order to secure success. In addition to the homework which is set, it is vital that your child is reviewing their work and consolidating their learning.

Please note that these predicted grades are from your child's most recent assessments in October 2020. These predicted grades will be updated after your child completes their full mock examination series in January / February 2021. It is extremely important that students approach all forthcoming assessments and examination with hard work and determination to ensure they reach their maximum potential and achieve the grades they deserve in their GCSEs.

Attendance and punctuality over the next year is of upmost importance in achieving potential. Government guidelines state all students must attend school for at least 97% of the academic year.

If your child is unable to attend school for any reason, they will have full access to blended learning online. This is available by following the link on our School website.

If you have any queries or concerns regarding the progress of your child please contact us at school. We would like to thank you for all your continued support.

Yours faithfully

*G Mearns*

*K Carvill*

Mr G Mearns & Mrs K Carvill  
**Head of Year 11 and Assistant Head of Year 11**
