December 2020

Dear Parents/Carers

## Year 10 Progress Report

We are writing to inform you of the latest report on your child sent via MyEd.

This report will show their average score for their attitude to learning (AtL 1 is high, 5 is low), E,Y,N stating if your child is currently Exceeding, Yes or Not on track to meet minimum expected grades using a combination of current total work rate, access to blended work, class work and key assessments.

If your child is not on track, subject teachers will have given a target in order for them to achieve their potential.

Your child is now halfway through their GCSE course and should be pushing themselves in lessons and at home in order to secure success. It is vital that they are reviewing their work and consolidating learning even when homework is not set.

Attendance and punctuality over the next year is of upmost importance in achieving potential. Government guidelines state all students must attend school for at least 97% of the academic year.

Due to unforeseen staff absences we are unable to report on some Maths classes, this will be reported on in the New Year.

If you have any queries or concerns regarding the progress of your child please contact us at school.

We would like to thank you for all your support.

Yours faithfully

Mr Arkell and Mrs Tomlin  
**Head of Year 10 and Assistant Head of Year 10**
