

An introduction to Phonics

Course Outline

During the course, we will look at key aspects of the phonics and how it is taught in nursery and school. This will include:

- Key terminology relating to phonics
- The Letters and Sounds phases and the phonemes taught
- Correct pronunciation
- How to develop your children's listening skills
- Tips on how to support children with phonics
- Useful websites to support children's learning

Reading

- Why reading is important and how to support it.
- How to support children with phonics, when reading

By the end of the course, you will be able to:

- Recognise approximately 44 phonemes and pronounce them correctly.
- Identify activities that will support children with phonics.
- Explain the key terminology.
- Understand the importance of reading
