Dear Parent(s)/Carer(s)

Y11 SEN Progress Meeting – Tuesday 19th January 2021

You will be aware that your child is currently on the Special Educational Needs register at school. Students are placed on this register if they have an identified and diagnosed need, for example Dyslexia or ASD. Students are also placed on this register if they are receiving a specific intervention, in addition to the classroom teaching they experience, e.g. literacy intervention to improve literacy.

As part of the Code of Practice 2014 parents, students and educators should meet a minimum of once per term to discuss how they feel the measures put in place to support the students are currently going.

Following your child's progress meeting appointment on Tuesday 12th January 2021 you will have the opportunity to book an appointment with myself, should you require one following your progress meeting appointment. This is a SEN appointment to discuss any points or concerns in relation to the identified need your child has and the provisions in place to support this. Appointments will be available to book online on the School Cloud (<https://stcuthbertshs.schoolcloud.co.uk/>) between **Wednesday 13th January 2021 and until Monday 18th January 2021**. Please refer to the same parent guidelines issued for accessing the [SchoolCloud](#) and also [joining the video appointment](#).

This appointment will then take place on **Tuesday 19th January 2021** at the time you select.

If you have any questions, please don't hesitate to contact me.

Yours faithfully

C Barrett
