26 January 2021

Dear Parent(s)/Carer(s)

We are beginning work on designing a timetable of virtual extra-curricular activities to be delivered remotely in Google Classrooms. These sessions will be on offer in addition to our students' timetabled lessons and will begin after February Half Term if we remain learning remotely. We are keen to offer our students as many opportunities as we can even if we cannot be together face-to-face. Further details will be sent out towards the end of next week, but in the meantime please can I ask for your feedback by completing the form below to help us in our planning. Please reply by 3pm on Friday, 29th January 2021.

Thank you for your continued support.

Yours faithfully

S Holland
