12 February 2021

Dear parents and carers

As we come to the end of another half term I wanted to take the opportunity to thank you for your continued support and co-operation at this time.

This half term has been especially interesting in that we have all had to learn far more about blended/home learning. Who thought, even 12 months ago that we would be where we are today with most of our students and staff at home but delivering a full timetable of learning opportunities? What has been achieved in the last 6 weeks has been phenomenal and for that I would like to thank every one of you for your part.

In addition we have still managed to stay connected as a community and celebrate our achievements and successes as we always do.

I know that the next few weeks will be an anxious time, as talk of 'reopening' schools and GCSE developments persist in the media, as well as the ongoing concern about the current National and local situation. However, as we continue to work together we will make certain that our mutual priority (i.e. the young people in our care) are central to any decisions that we may have to take.

Until we have any more information I would like to wish you all a safe and peaceful half term. I have asked all students to step away from their screens and google classrooms, put their knowledge organisers away and spend some time in other activities. I have also instructed the staff to do the same as I cannot speak highly of them enough for their relentless work.

We will all be back refreshed and raring to go on Monday 22nd February at 8.30am

God bless and stay safe.

Yours faithfully

C.A. Twist
