22 February 2021

Dear Parents/Carers

Last half term your child was asked to complete a Reading Age test during their English lesson. For whatever reason, your child did not complete the test and so a catch up session has been arranged for them to do so.

The catch up session will be on **Thursday, 25<sup>th</sup> February 2021 at 12:05pm**. In order for your child to attend the session, they will need to join a new Google Classroom with the code: **424fc4b**. Please encourage them join this class in advance of the session, so that you are able to contact us if there are any issues or problems.

During the session on Thursday 25<sup>th</sup> February, a member of staff will meet with them in the Google Classroom and give them instructions and log in details to enable them to access the test online. The teacher will then be available for the entire lesson, should there be any technical issues that need to be resolved. In this case, your child will be able to log back into Google Classroom to speak to the teacher should they need to.

We know you will understand the importance of reading and hope you will support us in encouraging your child to log in and take the test.

Many thanks in advance for your support with this.

Kind regards,

Yours faithfully

Mrs C Sharples  
**Second Curriculum Leader for KS3 English**
