24th February 2021

Dear parents/carers

Following the Government announcement this week we are finalising plans to welcome all students back into the building from the 8th March 2021.

Can I take this opportunity to once again thank each and every one of our students and parents for their support throughout this last year? We always talk about the partnership between school and home being essential and never has this been more evident.

The DfE has produced guidance for schools to ensure that the next steps are done safely and efficiently and we have reviewed and modified the risk assessment that we have in place currently.

I will write to you again shortly to give you an update.

Until then stay safe and hang on in there.

Yours faithfully

Mrs C Twist
Headteacher

P.S. We are proud to display in our new letterhead our most recent achievement of being a National Online Safety Certified School – [click here to view the story on our website](#)
