Dear Parent / Carer,

RE: Unifrog – The Complete Destinations Platform

I hope you and your families are safe and well during this difficult time.

You may remember a letter similar to this one I sent back in December. I am writing to remind you that, in keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we now have access to an award-winning, online careers platform called Unifrog. All students have an account.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver programmes, MOOCs (Massive Open Online Course) and every college at Oxford and Cambridge. This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English-taught undergraduate programmes available in Europe and the USA.

Some students still have not logged on to this platform and there will be tasks set next week for them on it, as part of National Careers Week. There is a video available on the website on how to log on and how to use Unifrog you can find these [here](#).

We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to truly support your child. The form code you need is: schsparents and you can sign up here: www.unifrog.org/code

For more information, go to www.unifrog.org or [contact hello@stcuthberts.com](mailto:hello@stcuthberts.com).

Yours faithfully

N Ward
