February 2021

Dear Parent/Carer

Year 11 Progress Report

We are writing to inform you of the latest data report on your child sent via MyEd.

This report shows their predicted grade for the end of their course based on teachers' judgements and their Key Assessed Task (KAT) result from January 2021. Their KAT scores will help determine their final grade but their final grade will also include the use of questions provided by exam boards, mock exams, coursework, or other work completed as part of a student's course, such as essays or in-class tests

If your child is not achieving their potential then an intervention has been put in place in order for them to reach this. Your child is now over halfway through their GCSE course and should be pushing themselves in lessons and at home in order to secure success. In addition to the homework which is set, it is vital that your child is reviewing their work and consolidating their learning.

Please note that these predicted grades are from three KAT tests completed this year alongside the most recent KAT.

It is extremely important that students approach all forthcoming assessments with hard work and determination to ensure they reach their maximum potential and achieve the grades they deserve in their GCSEs.

If you have any queries or concerns regarding the progress of your child please contact us at school.

Thank you for your continued support.

Yours faithfully

Mr G Mearns & Mrs K Carvill
Head of Year 11 and Assistant Head of Year 11
