19th May 2021

Dear parents/carers

I hope this letter finds you safe and well.

As you will be aware, Year 10 Parent's Evening is this **Thursday 20th May** using the software, SchoolCloud which allows you to choose your own appointment times and then access your appointments by video, either from your mobile phone, laptop or desktop computer.

We have been really pleased with the response, so far, when we've used it for our previous parent's evenings and have welcomed any feedback. As ever, there have been some teething problems and some of our parents have commented on some difficulty logging on. This has been due to devices and/ browsers being used, not being compatible with the SchoolCloud software.

We wanted to share some helpful step-by-step guides before your appointments, later this week, so it can run as smooth as possible.

Click on the [Video: Parents - How to attend appointments over video call - SchoolCloud Parents Evening \(parentseveningsystem.co.uk\)](https://parentseveningsystem.co.uk) for a guide on specific device/browser information and how to join a call.

We hope you find them useful and if you have any more questions, please do not hesitate to get in touch.

Yours sincerely

Miss J Grimes
Deputy Headteacher
