# Health and safety

At St Cuthbert's we are committed to the health and safety of our students, staff and visitors.

Ensuring the safety of our school community is of paramount importance to us and this policy reflects our dedication to creating a safe school.

## Students will:

- exercise personal responsibility for the health and safety of themselves and others.
- dress in a manner that is consistent with safety and hygiene standards.
- respond to the instruction of staff given in an emergency.
- observe the health and safety rules of the school.
- not misuse, neglect or interfere with items supplied for their and other students', health and safety.

*“It is so important to observe the health and safety rules of the school, to make sure you and others are safe around school”*

**Mrs L Dawber**
