July 2021

Dear Parents/Carers

## Year 10 Annual Report

We are writing to inform you of the latest data report on your child sent via MyEd.

This report will show their average score for their attitude to learning (AtL 1 is high, 5 is low) and their predicted grade for the end of their course based on teachers' judgements.

If your child is not achieving their potential then an intervention has been put in place in order for them to reach this.

Your child is now halfway through their GCSE course and should be challenging themselves in lessons and at home in order to secure success. It is vital that they are constantly reviewing their work and consolidating their learning.

Attendance and punctuality over the next year is of upmost importance in achieving potential. Government guidelines state all students must attend school for at least 97% of the academic year.

If you have any queries or concerns regarding the progress of your child please contact us at school.

We would like to thank you for all your support.

Yours faithfully

Mr Arkell and Mrs Tomlin  
**Head of Year 10 and Assistant Head of Year 10**
