Dear Parent/Carer

I am writing to remind you of the Blended Learning provision which your child must engage with whilst they are self-isolating and working from home. Students are expected to follow their usual timetable and be logged on and ready to learn from 8:30am each day.

Students will find all of the Blended Learning resources on their Google Classrooms, and their teachers will launch Google Meets for them to join to complete live lessons. It is very important that your child makes contact with their teacher either in the live lesson, or via the stream in the Google Classroom, and uploads the work they have completed to be reviewed by the class teacher.

I understand that some circumstances may require flexibility, and your child may not be able to log in to each live lesson, and instead work completed later in the day. If this is the case it is important that the work is uploaded when completed so that feedback can be given and progress monitored.

I greatly appreciate your ongoing support with Blended Learning, please contact me if you have any concerns or issues.

Best wishes,

Yours faithfully

H. Brown

Mrs H Brown  
**Blended Learning Lead**
