Dear Parent/Carer

I am writing to you to inform you of the revision resources which have been provided for GCSE Geography and GCSE History students to complete over the summer holidays.

Geography and History are both very academic and demanding subjects, and in order to give themselves the best chance at succeeding within the subjects, it is important that students complete independent work at home.

Within your child's Geography or History Google Classroom, they will find a task called 'Summer revision' and the resources to accompany. We recommend that students spend at least 45 minutes per week on independent study for history.

If you could encourage your child to access the summer revision resources and revise independently over the holidays I would be most grateful. Students have been asked to upload their work to Google Classroom, or show their teacher the work completed on paper when we return after the summer holidays.

I would like to take this opportunity to thank you for all of your support so far, and I hope you have a safe and happy summer.

Best wishes.

Yours faithfully

H. Brown
