January 2022

Dear Parents/Carers

Year 11 Progress Report

We are writing to inform you of the latest data report on your child sent via MyED.

This report will show their average score for their attitude to learning (AtL 1 is high, 4 is low) and their mock examination result from the examinations they took in November and December.

If your child is not achieving their potential then an intervention has been put in place in order for them to reach this.

Your child is now over halfway through their GCSE course and should be pushing themselves in lessons and at home in order to secure success. In addition to the homework which is set, it is vital that your child is reviewing their work and consolidating their learning.

Attendance and punctuality over the next two terms is of upmost importance in achieving potential. Government guidelines state all students must attend school for at least 97% of the academic year.

If you have any queries or concerns regarding the progress of your child, please contact Mr Arkell or Mrs Tomlin in the Year 11 office.

We would like to thank you for your continued support.

Yours faithfully

Miss J Grimes
Deputy Headteacher
