Dear Parents/Carers

Years 7-10 Whole School Assessment Week – 9 – 11 February 2022
Year 11 Mock Exams (for core subjects and H&SC*) – 9 – 11 February 2022

I am writing to inform you that whole school assessment week begins on Wednesday 9th February until Friday, 11th February 2022 for all students in Years 7-Y10 and for our Year 11 students, Mock Examinations for Core subjects – English, Maths, Science and RE. *The Health & Social Care examination is a real external examination.

A timetable will be given to the students, also attached with this letter and published on our school website, and there is an expectation that independent learning and revision will take priority at home and at school.

It will be a busy time for our students and staff as they prepare for these exams and we hope it will give the students an opportunity to show how they are progressing in their studies.

We would like to wish them every success with all their exams and look forward to some fantastic results.

Yours faithfully

Miss J Grimes
Deputy Headteacher
