26 January 2022

Dear parents/carers

I would like to reassure you of the safety of your child in our school. There have indeed been a couple of fallouts between students which have led to physical confrontations. These were quickly and effectively dealt with by the members of staff who are on duty throughout the day.

Reports of ongoing fights are untrue and indeed we are very proud that our students coexist in school in a very safe manner and these physical confrontations are few and far between and are definitely not a common occurrence.

Staff are on duty in key areas at breaks and lunch to ensure your child's safety and to look after any of their needs during these times. Staff are also visible as the children exit the school grounds.

There are various areas within school that students can access at these times where staff support is available.

Any students involved in any negative behaviours at these times or especially those who may put others' safety at risk, are quickly, effectively and fairly dealt with to allow everyone else to enjoy their social time.

Please be assured that systems and staffing is in place to keep everyone safe in school.

Student Voice is regularly sought regarding behaviour and safety in school and all areas of the school are made safe places for all to enjoy.

Yours faithfully

*C. A. Twist*

Mrs C Twist
