

Returning children safely to school as we live with COVID-19

(Living with Covid-19 and staying safe)

When should I
SEND MY CHILD to
school?

- If your child has mild symptoms such as a runny nose, sore throat or mild cough, and they feel well enough.

When should I
KEEP MY CHILD
AWAY from school
and at home?

- If your child has a high temperature
- If your child feels too unwell to take part in normal activities.
- If your child has had diarrhoea and vomiting in the last 48 hours.
- If your child tests positive for COVID-19

Children must try and stay at home and avoid contact with others for 3 days (5 days for adults), if they test positive for COVID-19

For more information on symptoms see NHS website: <https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/coronavirus-in-children/>

For more information on when to isolate see NHS website: <https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/>

For information on common infections school environment see UKHSA website: <https://www.gov.uk/government/publications/health-protection-in-schools-and-other-childcare-facilities/chapter-3-public-health-management-of-specific-infectious-diseases>
